Re: Kathryn Townsend Griffin, et al. v. Edward Christopher Sheeran, et al., No. 17-cv-5221

Dear Judge Stanton:

On behalf of the Defendants in this action, we file this letter-motion to request that Defendants' sixth motion *in limine* filed on February 7, 2023 (ECF 180-181) be granted. While we believe the motion is well-founded on the merits and should, in any event, be granted, we request that the motion be granted at this time because Plaintiffs have not opposed the motion and their deadline to do so, consistent with Local Civil Rule 6.1(b), expired two days ago on February 21, 2023.

Similarly, in our letter dated February 7, 2023 (ECF 182), we advised the Court that Plaintiffs also never opposed Defendants' fourth motion *in limine* filed on September 18, 2020 (ECF 147-149) – which has been unopposed for more than two years – and requested that such motion also be granted as unopposed.

Respectfully submitted,

Donald S. Zakarin
